## Kindergarten (K4) Evaluation

## **Standards and Procedures**

Competencies

- 1. Physical and Motor Development: Increases physical and motor development
- 2. Emotional Development: Builds self-awareness
- 3. Social Development: Maintains harmonious relationships with others
- 4. Language Development: Communicates using oral and written language
- 5. Cognitive Development: Discovers the world around them

Evaluation is continuous throughout the year. A Communication Booklet will be issued on October 12<sup>th</sup>, 2023, followed by three Term Report Cards. Each child's progress is based on the teacher's observations (individual/group setting), classroom discussions, teacher directed and self-directed activities, and centers (Learning Through Play).
