

Back to School:

B.A.S.E. and Lunch for Pre-Kindergarten and Kindergarten

I am excited to welcome our K4 and K5 (those graduation up from K4) students to the Honoré Mercier B.A.S.E. Daycare and Lunch Program here at Honoré Mercier Elementary School. This school year will be full of new challenges and successes as we explore, inquire, play, and safely learn together.

Lunch

All students in K4 and K5 will be included in the B.A.S.E. program for lunch whether they are registered for after school or not. **Parents who haven't done so already will be receiving a B.A.S.E. registration form with this letter to complete sign and return.**

What does this mean for students?

Each K4 and K5 class will be supervised by their own daycare educator.

What is the benefit of being part of B.A.S.E. (daycare)for lunch?

It permits a smaller adult to child ratio, with one educator per class. Whereas a regular lunch supervisor has a larger ratio of students.

What does this mean for parents?

Parents would submit their lunch fees to B.A.S.E. (daycare) instead of the school.

How are payments completed?

Parents are invoiced monthly. Payments can be made by cheque to "Honoré Mercier Daycare", cash or the online option.
