MARCH NEWSLETTER

WELCOME BACK

Dear Parents/Guardians,
Welcome back! We hope you and your family had a relaxing and joyful Spring Break filled with special moments and time to recharge. As we return to our routines, we're excited to continue learning, growing, and finishing the year strong together.

Thank you for your continued support and partnership. We're looking forward to a wonderful and productive season ahead!

LOOKING BACK AT FEBRUARY

We are going to look back at all the wonderful activities we did with the students last month and celebrate the many moments of learning, creativity, and growth we shared.

From hands-on projects and engaging lessons to special events and classroom milestones, it has been a month full of excitement and achievement.

We are incredibly proud of the hard work and enthusiasm our students have demonstrated!

On Wednesday, February 4th, 2025, we had the distinct privilege of welcoming Melo, a renowned dancer, choreographer, and founder of Uplift514 Afro Dance, to our school. He shared elements of African culture through expressive movement and rhythm, providing students with both an educational and enriching artistic experience. Melo emphasized that dance is far more than physical movement; it is a meaningful form of storytelling that conveys history, tradition, and identity. His presentation was engaging, inspiring, and deeply impactful for our students.

Carnival

On Thursday, February 5th, we celebrated our much-anticipated Winter Carnival Day. Students enjoyed a variety of engaging outdoor and indoor activities, including sliding and other seasonal games that encouraged teamwork, physical activity, and school spirit. The day was filled with laughter and excitement as students made the most of the winter weather and special events planned for them.

We would also like to extend our sincere thanks to our dedicated parent volunteers and the Home and School Association for their generous assistance in helping organize the day and serving hot chocolate and cookies to our students. Their support and involvement contributed greatly to making the event a warm and memorable experience for everyone.

PARK DELORME

STAFF APPRECIATION

On behalf of the **entire staff at Honoré Mercier School**, we would like to extend our **sincere appreciation** to the Home and School team and all parent volunteers for the exceptional and heartwarming gesture you organized for our staff.

Your generosity and attention to detail were evident in every aspect of the event, from the daily beautifully arranged décor to the thoughtfully prepared food and the welcoming atmosphere you created.

Your time, dedication, and continued commitment to supporting our school community are truly valued. The care and effort you invested in making our team feel recognized and appreciated did not go unnoticed. Your ongoing partnership and generosity contribute greatly to the positive spirit of our school, and we are deeply grateful for all that you do to support both our staff and students.

1000

DAYS OF SCHOOL

100 DAYS

In Preschool, the celebration of the 100th day of school was a joyful and meaningful milestone for both the children and teachers. The students proudly participated in a variety of hands-on activities centered around the number 100, including creating artwork using 100 items, counting collections together, and decorating special "100 Days Smarter" crowns. Through songs, movement activities, and collaborative projects, the children explored counting in fun and engaging ways that supported their early numeracy skills. It was a wonderful opportunity to celebrate how much the children have learned and grown over the past 100 days, and the excitement and pride in the classroom truly made the day unforgettable.

ANTI-BULLYING

MALIK SHAHEED

Welcome Malik

We had the privilege of welcoming Malik Shaheed, an accomplished media personality and entrepreneur, to our school on Wednesday, February 25th, 2026, to present on the important topic of anti-bullying. Today, Malik serves as the Executive Director of Youth Stars, a non-profit organization dedicated to supporting a diverse youth population across linguistic and cultural backgrounds. Through his engaging programs and workshops, Malik aims to foster essential life skills, build self-esteem, and strengthen interpersonal skills among young people. His visit provided our students with valuable insights and practical strategies to promote kindness, respect, and positive relationships in their everyday lives.

What can you do if you or someone you know is being bullied?

Be brave and stand up for yourself and others!

YOUTH STARS

What did you learn today?

Always be yourself!

love Yourself

As we conclude this month, we take this opportunity to acknowledge and celebrate the many accomplishments of our students, staff, and parents. Your dedication, creativity, and commitment continue to strengthen and inspire our school community.

Looking ahead, we remain hopeful for warmer weather, which will bring opportunities for enriching outdoor activities, continued learning, and memorable experiences.

We sincerely appreciate your ongoing support as we move forward together with optimism and purpose.

Respectfully,
Mrs. Canale
