It is incredible to reflect on all that has taken place throughout the year. Our students have shown tremendous growth, resilience, and enthusiasm, and it has been a pleasure to witness their many accomplishments both inside and outside the classroom.

The month of May was especially exciting, filled with activities and events that celebrated the talents, hard work, and spirit of our students.

I would also like to extend my gratitude to our ***Governing Board, Home and School Association, Grade 6 Graduation Committee, and to all of our families for your ongoing encouragement and support throughout the year.*** Your involvement and commitment have helped make our school a welcoming and positive environment where students can learn, grow, and thrive.

Thank you for the many ways you continue to support your children and our school community. Your partnership plays an important role in helping our students feel confident, supported, and motivated in their learning journey.
